General Information

Registered Domestic Partners (RDP) – For purposes of California income tax, references to a spouse, a husband, or a wife also refer to a registered domestic partner (RDP), unless otherwise specified. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

We receive tax deposits from individuals who previously filed and expect to pay a future tax liability for a specific taxable year. Normally, individuals make tax deposits to stop the accrual of underpayment interest. **We will consider your payment as a tax deposit only if you have already filed a return for that taxable year.** For more information, go to our website at ftb.ca.gov and search for **FTB Notice 2005-6**.
